This is in response to the Communication dated October 20, 2006, reviewing the background of the application and stating that the application is abandoned.

It appears that correspondence from the Patent Office was filed, and the attorney of record had no knowledge of its arrival. A petition under 37 CFR 1.137(b) is enclosed. It is requested that the application be reinstated.

It should be noted that a change of correspondence address dated June 9, 2006, was filed, but the correspondence of October 20, 2006 was send to an old address

It is respectfully requested that the petition be granted and the application be reinstated as of its original filing date.

Respectfully submitted,

John E. Vandigriff
